

Join Today

The Kansas Family Advisory Network, Inc. (KFAN) provides:

- The child welfare family voice and perspective through:
 - Education
 - Training
 - Collaboration and Partnership
- Support and information for families.

All of which promote safety, permanency, and well-being for children and families who have been, are, or may become involved with child welfare services.

What We Do

- Provide training to families and organizations about parent participation
- Provide presentations to groups to explain the value of family involvement in child welfare

- Participate in committees and other meetings about child welfare programs and policies
- Prepare and distribute literature helpful to families and child welfare agencies

KFAN

**Kansas
Family
Advisory
Network, Inc.**

KFAN Goals

- Promote meaningful family involvement in Kansas child welfare services.
- Seek opportunities to bring the family voice to policy and planning discussions about child welfare services.
- Seek opportunities for KFAN family partners (birth parents, foster parents, adoptive parents, other family caregivers and former foster youth) to partner and collaborate with child welfare and related agencies to improve the effectiveness and quality of child welfare services.

KFAN Vision

Kansas will have a statewide network of prepared and empowered family members who are meaningfully engaged and valued as partners in child welfare.

Our Uniqueness

The uniqueness of the Kansas Family Advisory Network, Inc. (KFAN) is our ability to connect our family partners with community partners from child and family serving agencies in positive collaboration and partnership.

KFAN birth parents bring a unique perspective to any discussion about Kansas child welfare services.
